SUBJECT: Aviation Workers' Compensation Insurance

I am pleased to announce that Aviation Workers' Compensation coverage is available through International Aerospace Insurance Services Inc. (Inter-Aero), effective August 17, 2009.

Aviation Workers' Compensation (AWC) is an important and sometimes difficult coverage to obtain. To assist you and your clients, we have reached an exclusive partnership with Everest National to provide AWC. Inter-Aero is offering AWC coverage for all segments of Aviation and Aerospace. This coverage is available to any aviation or aerospace risk, even if Inter-Aero does not underwrite their other aviation coverage. Our objective is to provide comprehensive and competitive coverage for all of your clients.

A few highlights of our coverage are:

- No minimum premium
- Accounts can be written on a stand-alone basis
- Open to all agents and brokers
- Coverage available for all aspects of Aviation and Aerospace operations
- Quick turnaround
- Competitive pricing
- Guaranteed Cost, large deductible and retro plans available
- Effective and cost reducing claims management
- Highly effective Loss Control personnel to help maintain safe work environments
- Well capitalized and financially secure issuing company
- Fully admitted throughout the USA

Inter-Aero will have the responsibility for interfacing with Everest National for all transactions. Everest National will issue policies, create billings and supervise all claims.

Everest National is a highly experienced Workers' Compensation underwriter with almost \$1 billion in annual Workers' Compensation premium. As a major underwriter, Everest National has a large infrastructure of Claims and Loss Control personnel. Everest's A.M. Best rating is A+ XV and they are licensed to write policies in every applicable state. Your clients will be comfortable with this financially secure and nationwide insurance company.
